Youth Empowerment Center Participants Win Award for Video from Florida League of Cities
Members of the Belle Glade Youth Empowerment Center shot a seven minute video of Belle Glade that takes audience on a powerful trip through the city's poverty stricken areas, its deserted playgrounds, and dilapidated houses. The thought-provoking video was the third place winner of the Florida League of Cities' 2014 Youth Council Video Competition. The third annual video contest asked youth councils from around the state to look at the needs of their own cities and to find, in their opinion, the most critical need facing youth in their home town this year. *(Details included in agenda packet on green paper)*
