

United Healthcare (UHC) Resources Now Available

The [UHC Pre-Member website](#) is now available. Access this site (from work or elsewhere) for one-stop UHC medical plan info. The County's medical plan information is loaded and you can easily search for your providers and prescriptions. It does not require a user name or password to access.

The screenshot shows the UHC Pre-Member website interface. At the top left, there are logos for United Healthcare and Palm Beach County Florida. On the right, there is a link for "Your Saved Plans". Below this is a navigation bar with three options: "Your Plan Options" (with a dropdown arrow), "Search for a Provider", and "Member Benefits". The main content area features a large heading "Let the search for providers begin" and a sub-heading "Health care providers". To the right of the text is a photograph of a smiling female doctor. Below the heading, there is a paragraph explaining that network providers offer services at a discount. Underneath, there are two tabs: "Health care providers" (which is selected) and "Behavioral Health Providers". A prompt asks the user to "Select a plan to find a doctor or facility that's in our network." Below this, there are three plan options: "Choice Plan", "HMO", and "POS". Each option has a blue button labeled "Search the provider network" with an external link icon.

A [recording of a UHC info session](#) is posted on [MyBenefits](#) as well as a [slideshow presentation](#). It thoroughly explains the transition to UHC, reviews the three medical plan options, pharmacy benefits, and provides useful tools and resources.
