EEC PRE & POST TEST GUIDANCE

All EECs are required to provide pre and post testing to all scholarship campers.

- Pre-test scores must be uploaded into the system within the first 4 weeks of the camp opening
- Post-test scores must be uploaded into the SCSP database within 72 hours of the camp's closure.
- This screen can be found under the Campers tab -> Testing

Note: There is not an upload or submit button. You will need to type the results directly into the form.
